Your assistance is requested. The third quarter reports indicate that 13 of the original 25 Flood Assistance 1997 projects are completed. Twelve projects remain operational and there are still additional funding needs. Therefore, we ask that project operators that have completed operations review final expenditures as soon as possible. If unexpended funds remain, we ask that you notify us immediately. We would like to unilaterally deobligate unexpended funds and reallocate them to project operators with unmet fund needs.

Thank you for your assistance in this matter. If you have any questions please contact Laine Hendra-Aldrich at (916) 654-5595 or [lhendra@edd.ca.gov](mailto:lhendra@edd.ca.gov) or Luis Hermosillo at (916) 654-5416 or [lhermosi@edd.ca.gov](mailto:lhermosi@edd.ca.gov).
